Spring Time Tip

Late winter and early spring is the proper time to trim your Crepe Myrtles! Start by removing any sucker growth coming up at the base of the tree. Next, select 4-6 main branches to leave intact. Doing this will allow air circulation in the canopy and help prevent powdery mildew. Start "thinning out" the canopy by removing any broken or crossing branches. Also remove any diseased branches. While you're trimming, be sure to step back and make sure you are removing equal amounts of branches from each side of the tree.

Adopt-A-Spot

The purpose of the Adopt-a-Spot program was created and designed to bring City of Deer Park citizens together in a mutual partnership to improve and maintain city esplanades, parks and green spaces. An Organization/Citizen may choose to adopt an esplanade, parks and designated city green space. By adopting a spot, organizations and citizens will be helping to provide long term support for the maintenance and aesthetic quality of their designated area. Tasks associated with the adoption may include trash pickup, weeding/raking landscape beds or playgrounds areas, mulching trees/shrubs and restocking doggie bags and much more depending on the adopted area's needs. The Adopt-a-Spot program is an opportunity for organizations and citizens to take pride in their community and support the quality of life for their community.

Adopt-a-Spot Opportunities

Organizations and citizens have the opportunity to choose from the following areas to adopt: street esplanades, designated city green spaces, parks and trails

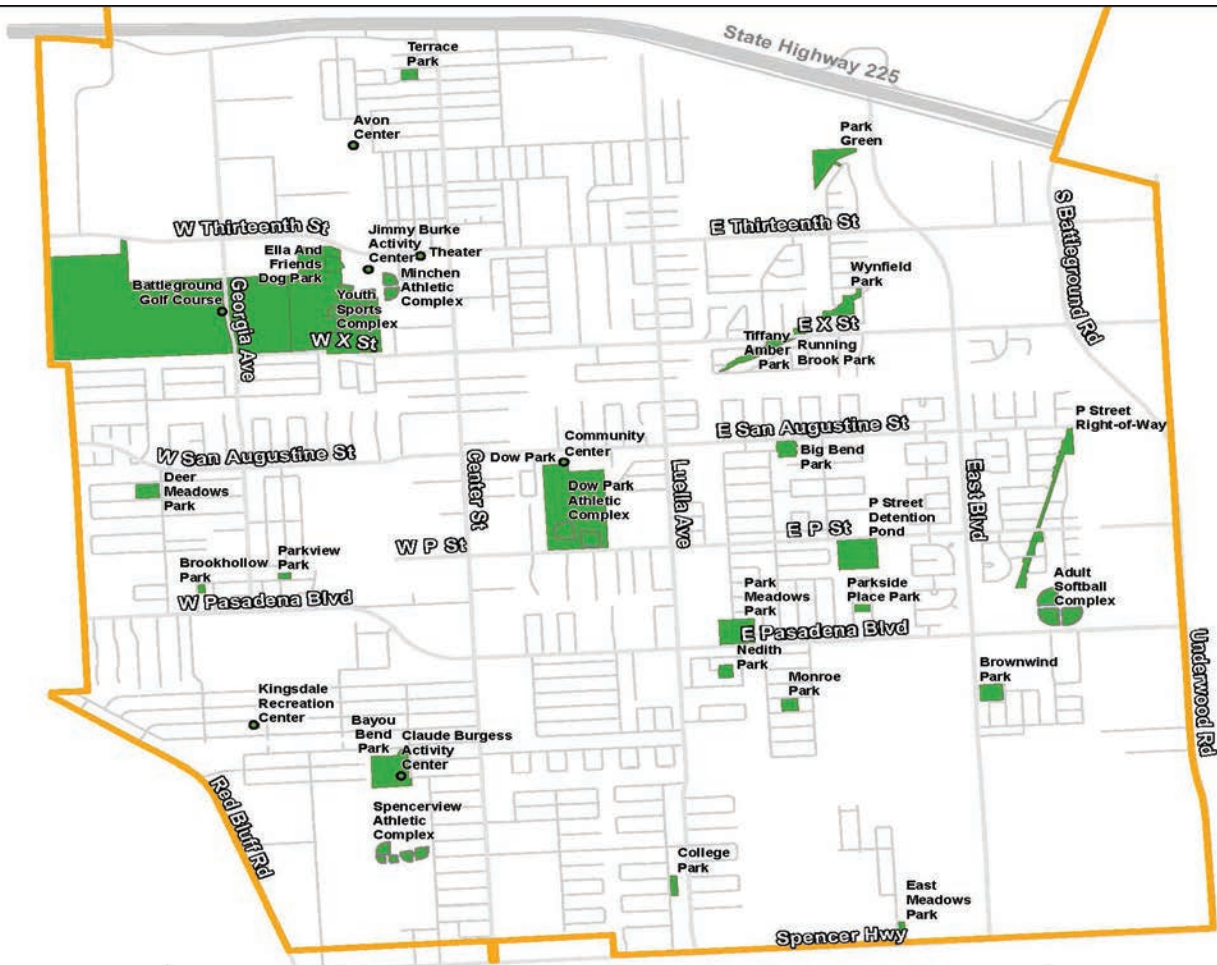

Benefits

- Help to enhance the quality of life for the citizens in City of Deer Park.
- Earn credit for organization community service hour requirements.
- Receive deserved recognition with your name placed on a sign at your adoption site.

How to Adopt-a-Spot

1. Contact the City of Deer Park Parks and Recreation Department and request an Adopt-a-Spot application.
2. Review Adopt-a-Spot procedures and policies.
3. Submit the Adopt-a-Spot application to the City of Deer Park Parks and Recreation Department for approval.
4. Approval from City of Deer Park Parks board.
5. Organization or citizen group signs commitment contract.
6. Groups help to maintain and enhance the quality of life in the City of Deer Park

Piano Lesson "Just Once" #2745

Some music teachers may not want you to know this, but you don't need years of weekly lessons to learn piano. In just a few hours, you can learn enough secrets of the trade to give you years of musical enjoyment. How do we do it? While regular piano teachers teach note reading, piano professionals use chords. You can learn all the chords you'll need to play any song in this one session. Any song, any style or any key. If you can find middle C and know the meaning of Every Good Boy Does Fine, you already know enough to enroll in this workshop. All you need to bring is yourself.
